

Artificial Intelligence, Digital Twin, & Precision Medicine

Artificial Intelligence

- Algorithm Development
- Generative Artificial Intelligence
- Physical Artificial Intelligence
- Surrogate Modeling
- Rapid Decision Making

Multidisciplinary Design Optimization

- Optimal Decision Making
- Other Engineering Optimizations

Contact Information:

Xiaosong Du

Assistant Professor
Department of Mechanical & Aerosp
Email: xiaosongdu@mst.edu

[PHLAI Lab Homepage](#)

Keywords

- Artificial Intelligence
- Digital Twin
- Multidisciplinary Design Optimization

Collaborative Interest

- Biomedical Research with Data Available
